To take whatever action may be deemed best to promote the erection of a hotel at the earliest possible time.

In these days of high cost of living, a medicine that gets a man up out of bed and able to work in a few days is a valuable and welcome remedy. John Heath, Michigan Bar, Cal., has kidney and bladder trouble, was confined to his bed, unable to turn without help. "I commend using Foley Kidney Pills and can truly say I was relieved at once." His example is worth following. C. C. Bingham.

It was unmanageable and struck the curb and threw the machine about 15 feet, smashing a wheel. E. T. Seguin of Montpelier was with him and both men stayed in the car and escaped injury. They took the car to Wright's garage and

Mr. Seguin went to Montpelier and secured a new wheel. He came back to town Monday and after the car was repaired went on to The Waumbek in Jefferson, N. H., where Mr. Atkins is stopping.

Eastern avenue is one of the streets some of the citizens have been trying to have the village trustees call as the sprinklers leave it very slippery most of the time.
